Verse 1

when I formed you in the garden
we were walking side by side
I was Yours and you were mine
I gave you every sort of pleasure
except the fruit upon a tree
then you chose it instead of Me

Chorus 1

I said son just how long
Can you stay away from
Your Fathers home
I said son just how long
Can you stay away from
Your Fathers home

Verse 2

You wore the crown of all creation
now your living in the mud
don't let this place of shame
keep you from my love

Cause there is something that Ive wanted
to tell you for a while
there's still a place for you

at home My child

Chorus 2

I said son just how long
Can you stay away from
Your Fathers home
You are the one
That my soul loves
Id do anything to
See you coming

up the road
coming home

Tag
