

All I Want [F#]

[Default Arrangement]

All I Want

Verse 1

F#

I watch the world as it goes by
People pass me in their lives
Never stop to say Hello

B

They just go, Don't care to know
But you do

Verse 2

F#

I thought about you just all day
I took a risk and I changed your name
Hope you like it, I think you're special

B

I hope that she likes it
Cause I love her, I love her

Prechorus

Abm

And all I want to hear from you

Db

Is that you love me too

Chorus

F#

Bbm

All I want, All I want is to be with you

Abm

But I won't come inside and take

Db

I'll just stay outside and wait

F#

To be asked in

Verse 3

F#

I love to hear those things you say
Could I just stare at you all day
I asked permission from your father

B

Am I a bother? Don't awaken her
Are you asleep? Well then just sleep

Prechorus

Abm

And all I want to hear from you

Db

Is that you love me too

All I Want -

Chorus 2

F# **Bbm**
All I want, All I want is to be with you
Abm
But I won't come inside and take
Db
I'll just stay outside and wait
F# **Bbm**
All I want, All I want is to be with you
Abm
Sometimes my heart may really ache
Db
But I'll just stay outside and wait
F#
To be asked in

Bridge

F#
I stood outside your door
And asked you to come in
B
I could not stay outside forever
F#
The rain was closing in, Please let me in
And the best part is that you
B
The best part is that you, you let me in
You let me in

Outro

Abm
Oh and all I want to hear from you
Db
Is that you love me too
F# **Bbm**
That you love me, the way I love you
Abm **Db**
And all I want to hear from you
F#
Is that you love me too
