He's bringing them from the North country and from the ends of the earth
Frees them from captivity redeems them on the earth
The blind the lame the woman in pain
He brings them back, brings them back

Pre Chorus

To the coastlands here's the message
To the nations here's the message

Chorus

He who scattered them is gonna gather them again
From the nations where His hand has scattered them
Like a shepherd His hands will lead them in
From the nations from the coastlands

The path is paved with tears they walk on
They're begging God to come
He opens wide His arms for them
By streams He leads them on
These are His sheep father to Israel
And He calls Ephraim His first born son

Lord save Your people the remnant of Israel
