Come on now get your boots and your spurs on

D

Herd em, Don't stop 'til the works done

G

Seconds seem like a real long time

D

When the bucking bronc is of the devils kind

A

Bm

Sometimes you've just got to pony up

D

And buckle down for the long haul

G

Take up your cross and lay down your life

A

The brand on your back says bought with a price

Bridge

G

Em

Even weathered skin is way too thin

Bm

A

To cut through the cold night

G

Em

But with Your fire inside, we can be braving these long cold hard nights
