Intro, V1, C, V2, C, B, C

Intro 74

Verse 1

Children wandered the wilderness for
40 years they saw the miracles
Following the cloud by day
(They saw Your hand)
And the pillar of fire by night
Food fell like dew from heaven
Children stood and watched the Red Sea part
Swallowing their enemies
(A brand new start)
Freed them from captivity

Chorus

Don't forget to remember the miracles
How we fell nearly fell apart
Not led into death but saved from the utter dark
I will build my altar here
So when doubt creeps in I know
I won't forget to have Faith in the Faithful

Verse 2

We wander our wilderness we've
Walked through the fire and still survived
My fragile heart despaired
(You fought for me)
Then I saw your hand was there
These times are hard we're weary
We've prayed our hearts out a thousand times
Have you deserted me
(I'm still right here)
Do You hear us can You see?

Chorus

Don't forget to remember the miracles
How we fell nearly fell apart
Not led into death but saved from the utter dark
I will build my altar here
So when doubt creeps in I know
I won't forget to have Faith in the Faithful
