## Verse 1

The world tries to steal your heart  
It captivates you from the start  
But always it falls apart  
Oh try not to fall apart

Ooh Ooh ooh ooh

## Verse 2

Everything that fades away  
Can cause you to go astray  
Hold onto me and know  
That one thing will always stay

Ooh Ooh ooh ooh

## Verse 3

All the ashes turn to dust  
And everything you feel is lost  
But everything is not destroyed  
My love will fill up the void

Ooh Ooh ooh ooh

## Instrumental

Soon there will be a home  
The fire will leave alone  
I will be waiting there  
I want to be your home
