[Default Arrangement]

V1, C, V2, C, V3, C, B

## Verse 1 44

The Lord is my light and my salvation  
Whom shall I fear?  
The Lord is the defense of my life  
Whom shall I dread? Instead  
Evildoers came to devour my flesh  
Adversaries, Enemies, they stumble and crash  
For in the day of trouble His secret place  
Will hide and conceal me

## Chorus

Though the war is raging  
I will not fear  
A host encamps against me  
My heart will not fear  
For You are there  
I will be confident  
You are my confidence

## Verse 2

Here, Lord I cry with my voice  
And answer me  
Don't hide Your face from me  
Turn away from me God please  
You have been my help please don't abandon me  
When I need grace God don't forget me  
Father and mother have forsaken me  
You lift me up

## Verse 3

You lift my head above my enemies  
I will sing, I will sing praise to You  
Teach me Your way oh Lord  
And guide me in truth  
Please don't deliver the desire of my enemies  
The false witnesses they rise up against me  
I would despair unless I believed  
I'd see the goodness of the King

## Bridge

One thing I have asked of You  
Could I just be with you  
In Your house forever  
To see You in all Your glory  
And to dream of you  
All my days
