You have a plan, Your will be done.

## Chorus:

It's Your life  
(I'm standing on the edge just waiting)  
My life is Yours to  
(Surrendering my life for You to)  
Mold I'm just the clay in Your hands  
You make me whole  
(I'm standing on the edge just waiting)  
My life is Yours to  
(Surrendering my life for You to)  
Mold I'm just the clay in Your hands
