[Default Arrangement]

Intro, V1, V2, C, V3, C, B, C

Intro:

Verse 1

It feels so hopeless treading through the mud
Crying to heaven to, lift me up
You heard me and You set me free
Look into the eye of my enemy
Out of bondage where I can't be touched
Without fear Within Your love

Verse 2

Rushing in they have surrounded us
thorns on fire hot and gone like dust
All the nations they're closing in
pushed me hard, I was falling
God stepped in and He picked me up
In the name of the Lord I will cut them off

Chorus

Oh let Israel say His love is forever
Let the house of Aaron say, let all those who fear God say (x2)

Verse 3

My strength my song come from my God
And He has become My Yeshua salvation
Joyful shouts from the tents of the righteous
His strong right hand will be lifted up
I will not die but live to tell of all He's done

Bridge

The stone that the builders rejected has become
chief cornerstone, my cornerstone
This is the day that God has made
We will rejoice and be glad in it
Blessed is the One who comes
Blessed is the One who comes in the name of the Lord
We bless You from the house of Lord
Bind the festival sacrifice with cords to the horns of the altar
God has given His light, He has given us life
