Verse 1

You have wiped out my crimes
They were thick black clouds
You have saved my life
And now You ask me to
Return to You
I'm gonna return to you
I gotta return to You

HEY my God has done it
HEY I will shout for joy
HEY from the mountaintops
SHOUT for You have rescued me

You have taken my sin
Like a heavy mist
You have taken dust and
You've formed me into this You
Say You won't forget me
Gave Your life on a tree

For we have been Redeemed
You washed us clean
