V1, PC, C, V2, PC, C, B, C, Outro

Verse 1

Step back
Heart attack
Watch what He's about to do
He's gonna break them loose
From Pharaohs noose
Watch this is something new

Pre chorus

Jordan shuffle to the right
Red Sea shuffle to the left
He's gonna make these mountains skip like rams
And then you're gonna see whats left

Chorus

Tremble oh earth

Verse 2

What ails you
Oh sea that you flee
And Jordan that you turn back
Are you afraid it's He
Who's coming at thee
Like a freight train off the tracks
He's got the mountains
Skipping like rams
The hills like lambs
To the sound of the jam
Of the seas and the land
as they make way
For His people coming up
Out of bondage and slavery

Bridge

When Israel went forth from Egypt,
The house of Jacob from a people of strange language,
Judah became His sanctuary,
Israel, His dominion.
The sea looked and fled;
The Jordan turned back.
The mountains skipped like rams,
The hills, like lambs.
What ails you, O sea, that you flee?
O Jordan, that you turn back?
O mountains, that you skip like rams?
O hills, like lambs?
Tremble, O earth, before the Lord,
Before the God of Jacob,
Who turned the rock into a pool of water,
The flint into a fountain of water.
